

The Bear Facts

A Newsletter for Friends and Families of Riverhill School

January 8, 2016

OUR MISSION:

We are committed to providing a child-centered, academic environment whereby we empower our students to become informed, responsible, productive, life-long learners with solid values and positive self-images.

WELCOME

Mrs. McDaniel has agreed to teach first grade for the remainder of this year. We are also excited that she will still be our Librarian.

Thank you,
Mrs. McDaniel!

SAM ROOM

3rd Grade Reaches Out to Our Community

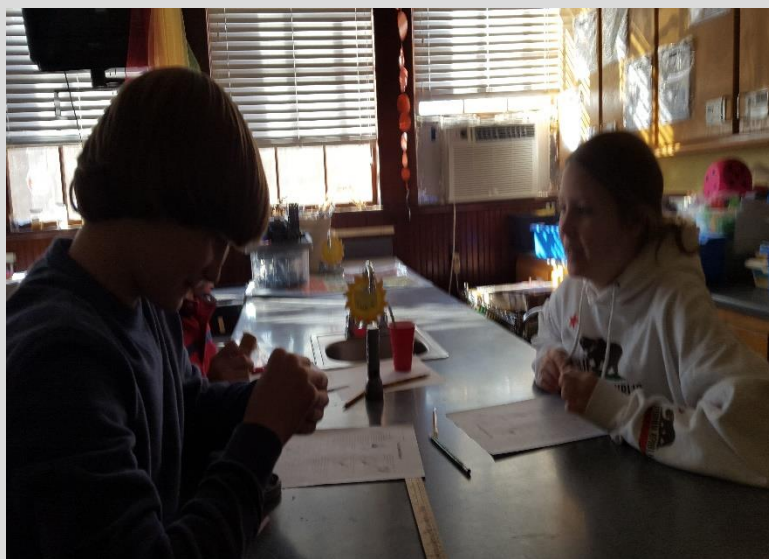

3rd grade donated 145 pairs of new socks to the Shoals area homeless population by way of Room in the Inn after reading about a homeless family in the book *The Family Under the Bridge*. Our class decided to take action for a cause in our own community.

STEM FUN

Shadows

We received some exciting news this week for our STEM program. Thanks to Representative Lynn Greer, Mrs. Barbara Griffith and the other members of the Lauderdale County Community Development Commission for all your assistance in providing the Riverhill STEM Program with a \$4,926.00 grant. This grant will provide resources for our school and will help to develop an activity partnership between our STEM program and the Children's Museum of the Shoals. Continue to watch the Bear Facts and STEM News for more information about this developing activity partnership.

Other Upcoming STEM Events:

February 2016 – Family Fun Science Night

April 2016 – Robotics and Technology Day and

ACTE Regional Technology Fair (Grades 3rd through 6th in Decatur)

Sharing is so much fun in PreK3!
